GAINESVILLE, FLORIDA, FRIDAY, NOVEMBER 10, 1905

TEN CENTS A WEEK

HEARST DEFEATED BY TAMMANY HALL

McClellan Elected By a Very Small Majority.

WILL CONTEST THE ELECTION

City Reform Party Wins Great Victory in Philadelphia—Election News From Other States and Cities—Fusion Defeated in San Francisco.

New York, Nov. 9.—This city yesterday elected George B. McClellan, the candidate of the Democratic party, mayor by a narrow margin over William Randolph Hearst, the nominee of the Municipal Ownership League.

William Travers Jerome, independent candidate for district attorney, was apparently re-elected. With 46 election districts to be reported today, he had a lead of 3,525 votes over James W. Osborne, the Tammany candidate.

The complete but unofficial returns give McClellan 3,485 plurality over Hearst. The total vote was:

McClellan, 238,651; Hearst, 225,166; Osborn, 137,049.

The new city government, exclusive of the board of aldermen, will be constituted as follows:

Mayor—George B. McClellan (Dem.). Borough presidents—For Manhattan, John F. Ahern (Dem.); Bronx, Louis F. Haffen (Dem.); Brooklyn, Bird S. Coler (M. O.); Queens, Joseph M. Burns (M. O. & Dem.); Richmond, George M. Cromwell (Rep.).

At an early hour this morning Mr. Hearst left his headquarters in the Hoffman House for his residence, following a conference with his campaign managers, and the heads of the Municipal Ownership ticket, including Justice Seabury, Clarence B. Shearn and Max F. Ihmsen. Mr. Hearst himself would make no statement, and referred all questions to Mr. Ihmsen. The latter said that Mr. Hearst claimed his election as mayor by a good majority. That a fraudulent vote of at least 40,000 had been in Greater New York was the claim of the Hearst managers. It had been decided, Mr. Ihmsen said, to demand a recount of the entire ticket. After 194 ballot boxes said to be missing had been located and counted, it was found Mr. Hearst still lacked sufficient votes to elect him.

Hearst Makes Statement.

After considering the situation fully Mr. Hearst gave out the following statement, which is repeated today in his newspaper, The Evening Journal: "We have this election. All Tammany's fraud, all Tammany's corruption, all Tammany's intimidation and violence, all Tammany's false registration, illegal voting and dishonest counting have not been able to overcome a great popular majority. The recount will show that we have won the election by many thousands of votes.

"I shall fight this battle to the end, in behalf of the people, who have cast their votes for me, and who shall not be disfranchised by any effort of criminal bosses, Wm. Randolph Hearst."

The Evening Journal also prints a notice that bets on the majority should not be paid, declaring that the official count will show Hearst elected.

City Party Sweeps Philadelphia.

Philadelphia, Nov. 9.—The political revolution in this city and state yesterday was the greatest that has occurred in Pennsylvania in nearly a generation. There have been previous uprisings, but this is the first time in years that every office for which there was any semblance of a contest has been lost to the regular Republicans. It is also the first time in a quarter of a century that the regular Republicans have been defeated for the control of the state treasury. The memorable contests have been waged against the Republicans for the office but without success, and it is worthy of note that yesterday's election was the first that has been held for its place since the death of former United States Senator Quay.

The plurality of William H. Barry, who was nominated by the Democratic independent party, Lincoln party and Prohibitionists for state treasurer, will

be nearly 100,000, and may go above those figures.

J. Lee Plummer, the Republican candidate, ran far behind his ticket in nearly every county in the state. The remainder of the Republican ticket was elected by the usual Republican pluralities.

Complete returns from every ward in the city give the city party 148,877 and the Republican candidates, 105,346, a plurality for the city party of 43,533.

Berry (fusion) candidate for state treasurer, carried the city over Plummer (Rep.) by 36,037 plurality.

Union Labor Wins in San Francisco.

San Francisco, Nov. 9.—The Union Labor party achieved an astonishing triumph in yesterday's battle at the polls. From the head of the ticket down to the eighteenth nominee for supervisor, every Union Labor candidate was elected. Mayor Eugene E. Schmitz being returned to office for a third term by a majority of 11,500 over John S. Partridge, the joint nominee of the Republican and Democratic parties. The remainder of the candidates of the Schmitz ticket were elected by majorities ranging from 4,000 to 7,000. The clean sweep astounded the fusion leaders. While the fight between Schmitz and Partridge was secretly conceded by them to be an open one, the Schmitz party attribute the result to an endorsement of the present administration.

Following is the complete vote: Schmitz (Union Labor), 40,191. Partridge (fusion), 28,687. Schmitz's majority, 11,504.

Ohio Goes Democratic.

Columbus, O., Nov. 9.—John M. Patton (Dem.) will be the next governor of Ohio, and his party associates on the state ticket have also all been elected, according to the indications of precinct returns and county plurality figures received here up to 11 o'clock this morning. The exact figures received are unknown and may not be known today, but there seems no reason to doubt the success of the entire Democratic state ticket by at least a safe plurality, while Chairman Garber claims 36,000 plurality for Patton and the Democratic ticket. Up to 11 o'clock Chairman Dick had refused to admit officially the defeat of his ticket, but it was understood at Republican headquarters that the reports from county chairmen indicated that result.

Both houses of the legislature will be Democratic, the last hope of the Republicans vanishing with the report that the Hamilton county delegation was solidly Democratic.

Republicans Carry Massachusetts.

Boston, Nov. 9.—A revision today of yesterday's voting in Massachusetts failed to materially alter the result. The Republican victory all along the line with the exception of the contest for lieutenant governor, was just as pronounced as it was at midnight last night.

The revised figures are: Governor Guild (Rep.), 197,612; Bertles (Dem.), 174,396; Guild's plurality, 23,216.

Lieutenant Governor Draper (Rep.), 192,197; Whitney (Dem.), 189,201; Draper's plurality, 1,996.

Negro Disfranchisement Defeated.

Baltimore, Md., Nov. 9.—Additional returns from the Maryland counties and city precincts that were not counted last night, confirm the overwhelming defeat of the proposed suffrage restriction amendment to the constitution, but leave in doubt the state comptroller'ship. The legislature is also left in doubt by later returns. The senate is certainly Democratic, but the composition of the house of delegates is unknown. The legislature elects the state treasurer, and the policies of that official as well as of the board of public works of which he will be a member, will depend on the legislative returns yet to come.

Chicago is Republican.

Chicago, Nov. 9.—The Republicans swept Chicago yesterday, electing every candidate on their ticket. The complete returns early today show the following figures:

Judge superior court: Gary (Rep.), 51,322; McMillan (Rep.), 50,322, 100; Clark (M. O.); Yavonough (Rep.), 100.

QUIET NOW REIGNS AT ODESSA, RUSSIA

Outward Calm Returned, but Tension Is Still Great.

APPEAL MADE TO COUNT WITNESSES

Apprehensive of Fresh Outbreaks the Governor-General Has Promised to Place Military Guards Over Homeless Jews—Business at a Standstill.

Odessa, Nov. 9.—Outward calm has returned here, but the tension is still great. Reports that the Jews are preparing for terrible vengeance on the Christians are being industriously circulated among the lowest and most ignorant classes, and it is feared they may lead to a resurgence of anarchy. These reports declare that the Jews intend to blow up the churches and distribute poisoned foodstuffs to the Christians.

Prefect Neldhart, to whom much of the responsibility of last week's occurrences is attributed, is still in office, despite urgent demands for his removal.

The prosecutor general has invited all eye-witnesses of the outrages to give testimony at the forthcoming investigation.

Apprehensive of fresh outbreaks the city council has secured the promise of the governor general to place military guards at all places where the numbers of Jews recently rendered homeless are now being sheltered.

The university has sent three professors to St. Petersburg to present to Count Witte a full account of last week's atrocities with a demand for the instant removal of the authors.

The municipality, the university offi-

348; Ramsey (Dem.), 71,337; Smietana (Dem.), 65,263; Shepard (Dem.), 78,522; Werno (Dem.), 69,564.

Judge superior court to fill vacancy: Smith (Rep.), 83,743; Tolman (Dem.), 81,718.

Judge circuit court: Pinckney (Rep.), 85,278; Doyle (Dem.), 77,349.

In the vote for trustees of the sanitary district, McCormick, the highest man on the Republican ticket, received 86,643 votes, against 80,377 for Webb, the highest man on the Democratic ticket. Baker, the low man on the Republican ticket, received in the city, 2,358 more votes than Webb, the high man on the Democratic ticket.

Nebraska Safely Republican.

Lincoln, Neb., Nov. 9.—Reports from nearly all election precincts in Nebraska have been received, and it is apparent that Letton (Rep.) for supreme judge, has a plurality of 12,000 over Hastings (fusionist). This plurality is about double the plurality given the Republican candidate for supreme judge two years ago. The Republican candidates for university regent, who were attacked by the fusionists because of a large money gift to the university by John D. Rockefeller, have run slightly ahead of their own ticket.

New Jersey Is Republican.

Trenton, N. J., Nov. 9.—Late returns from Hudson county indicate that the Republicans have elected their entire twelve assemblies. The Democrats will not have more than three members. The next legislature will stand as follows: Senate—Republicans, 17; Democrats, 4. Assembly—Republicans, 67 and Democrats, 3.

Virginia Is Democratic.

Richmond, Va., Nov. 9.—Claude B. Swanson (Dem.) was elected governor of Virginia by about 20,000 plurality over Judge L. L. Lewis, the Republican candidate. The vote everywhere was exceptionally light, but Democratic apathy was offset by unfavorable conditions on the other side. The progress throughout the state obtained from voting almost entirely.

Democrats Win in Louisville.

Louisville, Ky., Nov. 9.—Paul O. Smith (Dem.) defeated O'Hall (Repub.) for mayor by a plurality of 1,894.

cials and the barristers are co-operating in arranging for an independent inquiry as they are mistrustful of official investigation.

The chamber of commerce has officially announced that the spirit trade of Odessa has practically stopped as foreign houses have suspended business with the local merchant because of the dangerous situation in the town. The foreigners, the chamber declared, feared to deal even with the wealthiest merchants who may at any moment be killed or ruined. Grain is purchased only when on board of a ship ready to sail.

The American, British and other consuls have all sent interesting detailed accounts of the recent events to their governments, explaining the real character of the outbreaks and naming the supposed authors.

As an indication of the wide area of the disturbances, the Glaziers corporation has ascertained that over 70,000 window panes were smashed.

Governor General Kaulbars denies the report that he has been transferred to the governor generalship of Finland.

Russian Troops Are Praised.

St. Petersburg, Nov. 9.—A government proclamation is published today calling attention to the difficult position of the troops during the disorders of the past week. It declares that they simply performed their duty and should be praised rather than blamed for preserving order especially in the streets of the capital.

NEGROES ARE NOT IDENTIFIED.

Mrs. Moore Fails to Recognize Prisoners as Her Assailant.

Atlanta, Nov. 9.—Mrs. Moore, who was assaulted by a negro about two weeks ago at Brookwood, came to the city yesterday to see the two negro suspects, Luckie Elliott and Will Jackson, who were held at the Tower as her assailant.

She took a good look at the prisoners and stated that neither was the negro who committed the assault.

The negroes were not released, as the arresting officers have stated that they intended to prosecute them on the charge of vagrancy.

Of the five negroes arrested for the assault of Mrs. Moore, three were released last week, and as the remaining two have not been identified, the negro wanted is still at large.

The police are still looking for the negro wanted, but there seems now to be little hope that he will ever be caught.

Birmingham Has Large Fire.

Birmingham, Ala., Nov. 9.—Fire totally destroyed the new five-story building, on Twentieth street, of the Moore & Handley Hardware company. The building was erected at a cost of \$75,000, and the stock was valued at \$175,000. The two-story structure on Avenue A, adjoining that of Moore & Handley, and recently occupied by the Avondale laundry, was also burned, the loss being \$10,000. The plant of the Philip Carey Manufacturing company, on Avenue A, was totally destroyed with the contents, the loss being estimated at \$12,000.

Two Killed on Trestle.

Richmond, Nov. 9.—Mrs. John Dolan was walking on a trestle a few miles from the city, holding by the hand her 6-year-old daughter. Just behind her were her daughter Lizzie, aged 9, and Lillian Marriotti, of about the same age. A train came up from the rear, struck the two older girls and killed them instantly. The mother grabbed the younger child and jumped with her into a canal alongside the track. She and the little one were saved unharmed.

Monument to Jefferson Davis.

Richmond, Va., Nov. 9.—Ground has been broken here for the monument to Jefferson Davis, to be erected by the United Daughters of the Confederacy, and to cost \$50,000. Mrs. R. T. McCulloch, of Staunton, Va., chairman of the monument committee, presided at the ceremonies, which were simple in the extreme, and witnessed practically by the members of the building committee only. The unveiling ceremonies are fixed for 1907, and are expected to be very elaborate, the whole south participating through prominent representatives.

MAN CREMATED IS KANSAS CITY FIRE

Two Other People Are Said to Be Fatally Burned.

CAUSE OF FIRE IS UNKNOWN

Rooming House in Missouri Town Is Burned to the Ground—The Dead and Injured Were Overcome by the Smoke—Property Loss Is Small.

Kansas City, Nov. 9.—One person was burned to death, two were fatally burned and one was seriously burned in a fire which destroyed a rooming house at 621 Grand avenue early today. The dead:

Charles Tanzey.

Fatally burned; Mrs. Tess Burkhardt and an unknown man. Seriously burned: An unknown man.

The dead and injured were sleeping and were overcome by smoke before they could make their escape.

The unknown man came here from Harlem, Mo., yesterday. The property loss was small.

NEGRO BEATEN BY MOB.

Stabbed a White Man in Brooklyn and He Narrowly Escapes Lynching.

New York, Nov. 9.—Fighting to protect themselves as well as to save a negro fugitive from being torn to pieces by a crowd of 5,000 persons, two detectives battled for 15 minutes in Brooklyn last night before they were able to summon help.

A. H. Edwards, a negro, accused of stabbing Harry A. Grant, an innocent victim of the negro's wrath, had fled from Pearl and Willoughby streets at the height of the present excitement.

A thousand men and boys chased the negro, when they saw Grant fall unconscious. When Edwards was rescued by reserves from headquarters, he was almost dead. He was taken to a hospital, where he is not expected to live.

The incident which transformed a crowd of 5,000 persons into fury occurred in a saloon. Edwards was called a harsh name by a white man. With an oath Edwards drew a knife. The man who had insulted him rushed from the saloon, Edwards following.

When Edwards reached the street Grant was passing, and without warning Edwards plunged the knife into Grant's neck. Grant fell unconscious. A moment later the crowd fell upon the negro.

PROTEST AGAINST MAKING LOAN

Request of Hawaiian Territory Will Be Opposed by Congress.

Honolulu, Nov. 9.—Senator McCandless and others have sent to President Roosevelt a protest against the territorial loan for which Secretary Atkinson is now en route to Washington to secure the approval for issuing a loan of \$1,250,000, and made appropriations accordingly.

Governor Carter decided to issue and expend only \$750,000, and it is to secure this amount that Secretary Atkinson has gone to Washington. The Protestants claim that Governor Carter is exercising a legislative function in attempting to issue an unauthorized loan of \$750,000, and retorting which items among the appropriations shall be carried out.

Typhoon Wrecks Town.

Yokohama, Nov. 8.—6:30 p. m.—A typhoon which took place yesterday, November 7th, has wrought extensive destruction in the province of Chikuma and in the islands adjacent thereto. Over two thousand buildings have been destroyed, and a steamer, it is said, has been wrecked. No loss of life is reported.

Prince Elected Member of Union.

Baltimore, Nov. 9.—At a meeting of the chapel of printers in the composing room of the News office today Prince Louis of Battenburg was elected a member, it having been developed during his visit to the office of that newspaper last night that his highness learned the printing art when he was a young man.
